Chamber Bucks Program

As a service to member businesses, we offer Chamber Bucks in any denomination. They can **only** be cashed at Chamber member businesses. Chamber provides laminated notices that state - "Chamber Bucks cashed here". Chamber Bucks can be purchased at any of the three local banks - Farmers & Merchants Bank, First National Bank, SouthPoint Federal Credit Union or at the Chamber office.

This program offers our customers an opportunity to give a gift in which the recipient can choose merchandise or a service from one of our many Chamber members. The Chamber Bucks promotion strengthens our community base.

Chamber members placed on Chamber website FREE.
